

Viña Salceda

Elciego - D.O.Ca RIOJA

Private visit

The stars of this visit are our vineyards, wine cellar and wine-making facilities, the wines we make and a sampling of the local gastronomy and products of the region.

During this two-hour visit we will see the vineyards and learn about their unique characteristics, then walk through the wine cellar to see how our wines are made. Next, we will have a tasting of three of our wines: Viña Salceda Crianza, Viña Salceda Reserva and Puente de Salceda with some local hors d'oeuvres: Rioja baby red wine, Foie gras with raisin bread, a cheeseboard with cheeses made from sheep's milk and a plate of ham.
